**SURVEYOR-IN-TRAINING EXAMINATION**

Follow Instructions Below and Submit All Required Documents

**Applicant Checklist:**

ONLY those candidates who meet the following requirements should use this application:  
1. Received the required degree after June 30, 1994; OR  
2. Began their surveying experience after February 19, 1991 (without required degree); OR  
3. Surveying student currently in their Junior/Senior year of an ABET-accredited surveying program

If you do NOT meet these criteria, you must complete the Application for Examination – Professional Land Surveyor - *Form 47-SUX1000*.

**SEE QUALIFICATIONS CHART on page iii of iii.**

In order to apply for the Surveyor-in-Training examination, there are two (2) applications and 2 fees:  
One (1) application and fee to be submitted directly to the Board office in Harrisburg and one (1) scheduling form application and examination fees to be submitted to the testing service in Tennessee.

1. **Application** (including “Amplified Record”, if required) must be typed OR printed in blue or black ink.
2. Contact Professional Credential Services (PCS) at 1-877-364-3926 ([www.pcshq.com](http://www.pcshq.com)) for a scheduling form to reserve a seat at the examination site. **Form PA11 (Examination Scheduling Form)** must be completed and forwarded to Professional Credential Services (PCS) with the appropriate examination fee.
3. **Complete pages 1 - 3** of application. Must be typed OR completed in blue or black ink.
4. **Education** information indicated on Page 2, Section 5 must be verified by submitting an original transcript from college/university showing the ABET-accredited curriculum and date your degree was conferred. The college/university **must mail** the transcript directly to the Board office and must be received in the Board office no later than December 1 for the April exam and no later than July 1 for October exam.
- NOTE: If you are a surveying student currently in your Junior/Senior year of an ABET-accredited surveying program, you must have the registrar’s office complete a *Report of Student Status* form (04.2003 FLSSTUSTAT).
5. **Amplified Record of Experience** (required ONLY for candidates applying based on experience) Must be completed as per instructions on form (must be typed or completed in blue or black ink). The original completed amplified record must be included with your application when submitted to the Board. A COPY of your completed amplified record form must be attached to your Reference Form and given to each of five (5) persons being furnished as a reference.
6. **References** are required for candidates applying via experience (no degree) and must be listed on Page 2, Section 6.
- a. References should have personal knowledge of your experience and collectively be able to attest to the entire amount of required experience. An applicant is encouraged to use an immediate supervisor as a reference.
  - b. Applicants must NOT be related to those listed as references.
  - c. A copy of your completed amplified record must be attached to a “Reference Information” form for dissemination to and completed by each of the five persons furnished as a reference.
  - d. Three (3) of your five references must be licensed surveyors; the other 2 may be professional engineers OR similarly qualified individuals (with the proper biographies) who can attest to your character or qualifications. The resume of any unlicensed reference must be attached to the “Reference Information” form when forwarded to the Board office.
  - e. Each reference must complete form and forward directly to the Board office. (Copy of amplified record is NOT to be returned.) Reference forms must be received in the Board office no later than December 1 for the April exam and no later than July 1 for the October exam.

7. In completing Section 8, **Criminal and Disciplinary Information** and you answer "YES" to any question, you must attach a full explanation on an 8-1/2" x 11" sheet of paper and submit a certified copy of all relevant court and/or legal documents. NOTE: Answering "YES" to any of the questions will not result in the automatic denial of your application.
8. **Detailed Breakdown of Surveying Experience** (required ONLY for candidates applying based on experience) form must be completed listing your amount of surveying experience only. Total experience must equal the total surveying experience from the amplified record. All applicants must show a diversification of field and office experience, with at least twenty-five per cent (25%) of experience in each.
9. **Social Security Act Certification:** Sign and date SS Certification (Section 9) on page 3 of the application.
10. Sign and date the **Certification Statement** (Section 11) on page 3 of application.
11. Maintain for your records a copy of your completed application prior to submission.
12. Forward application (47-SITX800), Amplified Record of Experience Form (if applicable), Detailed Breakdown of Surveying Experience Form (if applicable) and fee of \$25 made payable to "Commonwealth of Pennsylvania" to one of the Harrisburg addresses listed:

## Section 9 Social Security Act Certification

This licensing board is obligated to inform each applicant or licensee from whom it requests a Social Security number on any application or form that disclosing such number is mandatory in order for this licensing board to comply with the requirements of the federal Social Security Act pertaining to child support enforcement, as implemented in the Commonwealth of Pennsylvania at 23 Pa. C.S. § 4304.1(a). In order to enforce domestic support orders, at the request of the Commonwealth's Department of Public Welfare (DPW), this licensing board must provide DPW information prescribed by DPW about the licensee, including the Social Security number.

In the event that this licensing Board takes disciplinary action against an applicant or licensee, this board may disclose their Social Security number if applicant or licensee voluntarily agrees to the disclosure of this information to the appropriate professional association. This organization compiles information about individual applicants and licensees and transmits that information to other licensing boards in order to coordinate licensure and disciplinary activities between the individual states. If you do not voluntarily provide your Social Security number for this purpose, information about you will still be transmitted to this organization should this licensing board discipline you, but that information will not include your Social Security number.

I certify that I have read the above statement, understand the full intent and I do give this licensing board permission to report my Social Security number to the appropriate professional association or licensing board.

## Section 10 Code of Ethics

I hereby subscribe to and agree to abide by the following Code of Ethics: (your signature below indicates affirmation of this code). It shall be considered unprofessional and inconsistent with honorable and dignified bearing for any professional engineer, professional land surveyor or professional geologist:

1. To act for his client or employer in professional matters otherwise than as a faithful agent or trustee, or to accept any remuneration other than his stated recompense for services rendered.
2. To attempt to injure falsely or maliciously, directly or indirectly, the professional reputation, prospects or business of anyone.
3. To attempt to supplant another engineer, land surveyor, or geologist after definite steps have been taken toward his employment.
4. To compete with another engineer, land surveyor or geologist for employment by the use of unethical practices.
5. To review the work of another engineer, land surveyor or geologist for the same client, except with the knowledge of such engineer, land surveyor or geologist, or unless the connection of such engineer, land surveyor or geologist with the work has terminated.
6. To attempt to obtain or render technical services or assistance without fair and just compensation commensurate with the services rendered: Provided, however, the donation of such services to a civic, charitable, religious or eleemosynary organization shall not be deemed a violation.
7. To advertise in self-laudatory language, or in any other manner, derogatory to the dignity of the profession.
8. To attempt to practice in any field of engineering, land surveying or geology in which the registrant is not proficient.
9. To use or permit the use of his professional seal on work over which he was not in responsible charge.
10. To aid or abet any person in the practice of engineering, land surveying or geology not in accordance with the provisions of this act or prior laws.

## Section 11 Certification Statement

By signing below, I verify that this form is in the original format as supplied by the Department of State and has not been altered or otherwise modified in any way. I am aware of the criminal penalties for tampering with public records or information pursuant to 18 Pa. C.S. §4911.

Additionally, I certify that the statements in this application are true and correct to the best of my knowledge, information and belief, and that I am of good moral character. I understand that any false statement made is subject to the penalties of 18 Pa. C.S. §4904 relating to unsworn falsification to authorities and may result in the suspension or revocation of my license or certificate.

## REFERENCE INFORMATION FORM

### A. Applicant Check List:

1. Please note all requirements on instruction page of application. Applicants for the **PE exam** must have 3 PE's as references; the other 2 references may be similarly qualified (must attach a resume to completed reference form); OR registered land surveyors or geologists who can verify engineering experience. Applicants for the **surveying exam** must have at least 3 licensed surveyors as references; the other 2 may be professional engineers. Geologist applicants must provide references from 3 licensed geologists (Exception: See #4 under Section B).

Applicants applying for the FE or FS examination based on experience would follow the same reference guidelines listed above for the relevant profession.

2. Fill in your name and address (Top of Page 2) and that of the reference.
3. Check (✓) the appropriate category (Top of Page 2) in which you are seeking registration/certification.
4. Applicant **MUST NOT** be related to any reference. References should have personal knowledge of your experience and collectively be able to attest to the entire amount of required experience.
5. Attach a copy of your completed AMPLIFIED RECORD to each Reference Form provided to your references.
6. The completed Reference Information Form **MUST** be returned directly to the appropriate office directly **from the reference**. Copy of amplified record should not be returned.
7. Reference Information Forms submitted by the applicant with the application will be REJECTED.

### B. Reference Check List:

The applicant is required to furnish evidence of qualification for registration for the category checked below. You are asked to attest to the applicant's character, ability, reputation and professional skills and attainments. Be assured that the Board will hold all information strictly confidential.

1. Please answer questions on Page 2 of this application.
2. Sign and date at the bottom of Page 2.
3. **DO NOT RETURN THE AMPLIFIED RECORD.**
4. **References** without a professional license (Eng/Surv) must attach a copy of their resume to this form before mailing. **For Geologists:** If verifying a candidate's work performed prior to February 16, 1993, a similarly qualified geologist who was not licensed (with the proper biography) may be submitted.
5. Return completed Reference Information Form as instructed below to the appropriate location:
